COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE AT PUBLIC AUCTION

In the present offering there is an entirely different class of material containing the largest offering of United States Cents that I have ever catalogued in my sales.

A nice collection of Fractional Currency. A splendid assortment of Foreign Silver and Copper Coins. A collection of Freak Coins. A large offering of Numismatic Books. Many United States Coins of all kinds and in fact a general representation in all lines. My mailing list contains over 1000 active collectors. There will be distributed 1200 catalogues. My business has been established over 25 years and am ready to sell collections large or small. Terms on application. Send in your bids at once; do not wait. Bids are apt to arrive too late if sent at the last moment. Be sure to bid on the right lot and read the catalogue carefully when making your bids. Be sure to bid on each lot at so much per piece and not for the lot if there is more than one piece in the lot or will be compelled to refuse all such bids sent. Be sure to put the lot numbers down in rotation and take a copy of the bids that you send in. In my sales this caused many errors which of course the customer was compelled to make good. Be sure to sign your order, do this first.

Write down the right number that you intend to bid on and I wish to caution my customers that I will not hold myself accountable for any such errors. Kindly remember that coins I am selling are the property of others and I have to make an accounting to them.

Will you kindly send in your orders promptly on receipt, your bids will receive better attention and many times a customer can be advised if his bid sheet should happen to contain errors. Be sure to address all mail to Post Office Box 1765 to assure prompt delivery.

Thanking you for your attention to these requests and a liberal patronage of the offerings in this sale.

TERMS OF THIS PUBLIC AUCTION SALE

This is a public Auction sale and bidders unknown to me are requested to give bank or other reliable reference or their bids cannot be executed. Or otherwise kindly forward in advance remittance of 25% of the amount of your bids. Auction sales are strictly for cash. Your bids are as binding as any contract, so do not bid unless you are sure you can pay for what you bid on. No claims will be allowed unless same are made promptly. The cataloguer has endeavored to describe all coins fairly and to mention any defects.

NOTE:—Dealers' bills must be paid promptly within 10 days from receipt of purchases.

Coins and medals, &c., are sold at so much per piece. If there are 3 pieces in a lot and you wish to bid \$4.50 for the lot then bid \$1.50 for each &c. A 5 percent charge will be made for packing & shipping on any coins purchased. Send your remittance by money order New York or Boston draft as checks sent by parties unknown to me would have to be verified.

Send in your bids on receipt of catalogue as many bids have to be entered and it is always to the advantage of the bidder to send his bid in at once. In my last sale some bids came in too late and could not be executed.

Do not bid less than the bullion value of silver and gold coins. A silver coin is always worth its bullion value and considerable over this as a rule, and gold coins dollar for dollar. All coins are guaranteed genuine in this sale.
